

## 12 Angry Jurors Cast List

Thank you for auditioning for 12 Angry Jurors. We definitely have a great cast with excellent understudies. There is a script ready for each of you to pick up from room 412. There is technically a 12 Angry Men and 12 Angry Women version of the script. We are using the 12 Angry Men script and will incorporate any changes using the Women's version. The women's version will be shared in Slack to make the appropriate updates for those that need it. We can pinpoint this during rehearsals as well to make sure nothing is missed.
