Show Description

Feed the need for musical hilarity with this delicious sci-fi smash about a man-eating plant.

A deviously delicious Broadway and Hollywood sci-fi smash musical, Little Shop Of Horrors has devoured the hearts of theatre goers for over 30 years. Howard Ashman and Alan Menken (Disney's The Little Mermaid, Beauty And The Beast, and Aladdin) are the creative geniuses behind what has become one of the most popular shows in the world.

The meek floral assistant Seymour Krelborn stumbles across a new breed of plant he names "Audrey II" - after his coworker crush. This foul-mouthed, R&B-singing carnivore promises unending fame and fortune to the down and out Krelborn as long as he keeps feeding it, BLOOD. Over time, though, Seymour discovers Audrey II's out of this world origins and intent towards global domination!

One of the longest-running Off-Broadway shows, Little Shop Of Horrors, the charmingly tongue in cheek comedy has been produced worldwide to incredible success with technical aspects running the gamut from Broadway to PTA.

The use of flash photography and video recording is prohibited by copyright laws. Please do not attempt to record this production. We will have an archival recording for the school, but other recording could result in legal action.

Please silence all cell phones and refrain from texting or otherwise using electronic devices during the performance. The light and sound is distracting to your fellow audience members and the cast, and is, quite frankly, rude and disrespectful.

LITTLE SHOP OF HORRORS is rated PG-13 for sexual innuendo and violence and is not intended for young children. Parental discretion is advised.
